About us

At Crystal Pro School, we are a professional institute with 13 years of experience in providing aviation and logistics courses. Our focus is on training our students to acquire the required professional skills in the aviation and logistics industry, with a strong emphasis on life skills and job-oriented skills. We believe in auditing our students' skills every month and creating personalized strategies for their growth and development, ultimately helping them build successful careers

HOSPITALITY

The hospitality industry refers to a variety of businesses and services related to leisure and customer satisfaction. A defining aspect of the hospitality industry is also the fact that it focuses on ideas of luxury, pleasure, enjoyment and experiences, as opposed to catering for necessities and essentials

AVIATION

The aviation industry has also been a key contributor to global economic prosperity, not only as a result of the tourism industry boosting local economies, but also because it has allowed for improvements to global trade.

TOURISM

The Travel and tourism industry along with the related sectors contributing to it, is expected to grow in leaps and bounds in the coming years. A job in this industry can be highly exciting and adventurous and even pays well. In India the travel industry hopes to create 46 million job opportunities by 2025.

LOGISTICS

Logistics means providing the right product, at the right place in the right condition. It has been defined by the Council of Logistics Management as the process of planning, implementing and controlling the efficient flow and storage of goods, services and related information from the point of consumption for the purpose of conforming to customer requirements.
